

YHWH Warriors: Dream

The Dream

In this dream received on the 26th of May 2012, there were five YHWH Warriors who while sleeping gathered together in a 'dream world' to war against evil. I was among them as their leader.

Strangely, there was also a UFO in which we traveled in together to different places around the universe. Since our bodies were left at home in bed, this flying saucer was likely not a physical one but one existing in a spiritual dimension. It was not powered by any engine but only by the five of us who held hands in a circle in the center of the craft and just thought on where we wanted to go and we were instantly there. We were able to go anywhere in the universe instantly because the restrictive laws of the physical 3rd dimensional world did not effect us.

Armor

We did wear articulated plate body armor but the armor was very thin yet invincible. I can only assume it was the spiritual Armor of God made by God for spiritual beings at war that could be literally seen when viewed in the spiritual realm.

What was amazing in this dream is that whenever we arrived at a place for battle where evil was raging, the enemy would simply give themselves to flight and leave the scene. We were not able to be everywhere at once so there still were many battles that needed to be fought that we could not be there to fight.

Special Ops Teams

I woke up realizing that there is a great need for many such 'special-ops' teams of Dream Warriors to be formed who are willing to seek YHWH to train them to become effective warriors to be available to be sent out as they slept to battle evil all over the universe in league with the angels of YHWH.

Our training for this mission is in the physical 3rd dimensional world as we learn to daily put on the armor of God and remedy all sin through the Cross of Y'Shua so we might confess as Y'Shua did, "Satan comes but has nothing in me."

As we forgive, then can the forgiveness power of the shed blood of Y'Shua be effective in our lives and free us from the curse (bondage and slavery) of sin. If we do not forgive all, we remain in bondage and under the curse where Satan can then overcome us in battle.

As the Scriptures reveal to us, "They overcame the devil by the blood of the lamb AND the word of their testimony." The word of our testimony is in part a forgiveness toward all and right living.
