

Dragon with Shields of Power

by David Michael, info@glentivar.org

The Dream

In the early morning of the 15th of September, 2015, I had a dream where I saw great red dragon who was to rule over the earth in the near future. On his chest for 13 round shields that pulsed with light yet also shined or sparkled with rays of light as if they were stars in the heavens. As I watched this beast, I saw Look the east, the west, the north and the south to wage war against the independent nations and peoples of the world.

13 Alien Armies

As I awakened, I knew these 13 shields included the 12 star constellations of the zodiac and the 13th was the constellation in which earth was included. I then understood that these 12 zodiacs with their alien inhabitants and nations were providing a vast army or space armada to side with the Great dragon also called Satan and Lucifer, the great seraph or seraphim of heaven who choose the way of rebellion against the forces of YHWH.

The planets of these constellations provided many armies of different alien species who were committed as allies with the agenda of the Antichrist New World Order. They will come with their most advanced war and mind control technologies and seek to subdue all nations of the earth under the rule of Lucifer. Lucifer is yet to come to earth but will come during the middle of the biblical 7 year tribulation and set himself up in the newly built Temple in Jerusalem as the Beast described by the prophets Daniel and John and claim to be Creator God.

Horoscope Enslavement

What is eye-opening about this is that each of the 12 constellations are providing a war machine of extremely advanced technology to war against the armies of YHWH in seeking to exterminate the people of YHWH.

It was made known to my by the Spirit of YHWH that those in the world today who give themselves to the guidance of horoscopes and mediums are already enslaved in this battle and will either fight against the people of YHWH or will be exterminated along with them. There is not middle fence in this battle and will likely continue until the great and final battle called Armageddon near the end of the 7 year tribulation period.
