

# He-Goat on the Move: Dream

by David Michael, [info@glentivar.org](mailto:info@glentivar.org)

In the early morning of the 4<sup>th</sup> of November 2015 while asleep, I found myself having a conversion in my sleep with YHWH. More of a friendship kind of chat – nothing real serious it seemed. I then looked toward God and asked, what is the next event that we can expect. He then turned to me although I could not see the details of his facial features and said, “The He-goat.” I then paused and wondered at this cryptic response since he said no more. I then awoke.

## Why the He-goat?

Within that week I had a conversation with a man I met in the wilderness of Colorado who was also called into the prophetic ministry for these end times. He had mentioned a few times in conversation that the He-goat was associated with Elam and spoke of a future war centered around Syria, Iraq and a power in the West. I was somewhat lost in this conversation not having seriously studied the He-goat, Elam or the Syrian related prophecies of the bible for the end times. History shows that Syria are the lands of the Medes and Iran are the lands of the Persians comprising the Medo-Persian empire during the day of Daniel. I did a search of the scriptures related to these topics.

Daniel 8:5-11 And as I was considering, behold, an he-goat came from the west on the face of the whole earth, and touched not the ground: and the goat *had* a notable horn between his eyes. 6 And he came to the ram that had *two* horns, which I had seen standing before the river, and ran unto him in the fury of his power. 7 And I saw him come close unto the ram, and he was moved with choler against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down *to* the ground, and stamped upon him: and there was none that could deliver the ram out of his hand. 8 Therefore the he goat waxed very great: and when he was strong, the great horn [Alexander] was broken; and for it came up four notable ones [Generals of Alexander] toward the four winds of heaven. 9 And out of one of them came forth a little horn [Antichrist of the Roman Empire], which waxed exceeding great, toward the south, and toward the east, and toward the pleasant *land* [west]. 10 And it waxed great, *even* to the host of heaven; and it cast down *some* of the host and of the stars to the ground, and stamped upon them. 11 Yea, he magnified *himself* even to the prince of the host, and by him the daily *sacrifice* was taken away, and the place of his sanctuary was cast down.

Daniel 11:2 And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia [Iran]; and the fourth shall be far richer than *they* all: and by his strength through his riches he shall stir up all against the realm of Grecia.

Jer.49:36-39 "And upon Elam [Iran] will I bring the four winds from the four quarters of heaven, and will scatter them toward all those winds; and there shall be no nation whither the outcasts of Elam shall not come." 37 "For I will cause Elam to be dismayed before their enemies, and before them that seek their life; and I will bring evil upon them, even my fierce anger, saith the Lord; and I will send the sword after them, till I have consumed them:" 38 "And I will set my throne in Elam, and will destroy from thence the king and the princes, saith the Lord." 39 But it shall come to pass in the

latter days, that I will bring again the captivity of Elam, saith the Lord."

1 Cor 1:22-23 "For the Jews require a sign, and the Greeks seek after wisdom: 23 But we preach Christ crucified, unto the Jews a stumbling block, and unto the Greeks foolishness;"

The Greek word hellen, here translated "Greeks" is also translated as "Gentiles" and basically means a person who speaks Greek, not necessarily someone from the literal country of Greece. Greek was the language of the learned, it carried the culture which began with the famous ancient Greek poets, playwrights and philosophers, that ultimately became the basis for what today we call "Western civilization." Notice that this goat comes from the "west." (v. 5) The angel tells us that the prominent horn on this goat is "the first king." (v. 21)

Here the word translated "first" means "foremost", not necessarily first in terms of order. Who is the foremost, the "first", nation of modern Western civilization? Since we are told this is for the end times, it applies to Greece under Alexander the Great as the single horn that later was broken with four horns (his four generals) who claimed the power of the one horn. I must also apply to political powers and military forces sometime in the future.

It certainly includes the United States of America which is a subordinate to the NWO which is the joining of the Holy Roman Empire backed by the Illuminati world bankers with the Jesuits who control the Roman Catholic Church. Thus we have pictured here in Daniel 8 a vision of the clash of civilizations East and West, Islamic vs. Greco-Roman- [false] Christian powers who may be better identified as the NWO embodied as the Holy Roman Empire backed by the Illuminati bankers and the Jesuit Roman Catholic Church with America providing its armies under a UN flag.

## Conclusion

This is what I am being told by YHWH... to watch the he-goat for the next move. The he-goat of the 'west' will go against Iran and Syria and when this occurs, the four winds of YHWH will also come against Elam-Iran to assure their total destruction. It further says YHWH will establish his throne in Elam (Iran). Perhaps this move by the NWO against Syria and Iran is in anticipation of the 2 million man army coming down from the north through Iran and Syria intent on taking Jerusalem. Both Iran and Syria needs to be out of the way of the invading NWO armies for this to be possible.

If the throne of YHWH is established in Iran-Syria which is the promised lands of the Israelite Ephrati (10 tribes), Iran and Syria may well be the location of a major military resistance that will be staged against the 2 million man Antichrist army when it later comes. This resistance will be embodiment of the true Israelites who had returned to Northern Israel and Syria by then. I may also add based on the information from another dream, there will be 1000 Caliphates who will side with YHWH in this battle against the NWO two million man army when it comes against Jerusalem.

This is the land promised to Abraham includes Syria,
