

# Man Made Woman: Dream

by David Michael, [info@glentivar.org](mailto:info@glentivar.org)

In the early morning of the of the 19<sup>th</sup> of October, 2015, I saw in a dream a blond beautiful unclothed woman of perfect body. I asked the angel who was with me who this might be and he said, "it is a being." I did not understand and then the angel said, "She was made by man and not created." I then heard her name and it was 'Be' as short for Being.

I then heard the angel say, "She was created for the pleasure of man with men becoming as god." I then realized as I looked into her eyes, she was not much more than an empty shell and had no soul. She was not human.

Man in his attempt to be god has become god in the making of what appeared to be human life as a woman but this was empty, lifeless and a shallow shell of a creature. She would provide pleasure to a man but not relationship that had any real meaning. Certainly not true love.

Upon observing this woman-like creature and hearing what the angel had to say, I realized that many who have been created in the image and likeness of YHWH God have lost their souls. They have no sense of eternal destiny or purpose and go in the search of pleasure to pleasure. They have become mere objects like 'Be' who was made by man for man.

Lucifer sought to raise his status above the glory of Creator YHWH and claim to be God. This was not limited to the rule over the creation of YHWH but also to create new 'beings' or creatures to then claim the title of Creator. YHWH will always be the creator of all creators yet with the advances in science in genetic biology and engineering, even man has not become a creator in taking one species and joining the genetic traits with another. Genetically Modified Organisms (GMOs) is a real proven science and it does not stop with just foods. Man cannot create something from nothing and neither can any other species including Lucifer. What they can do is take what has been created and manipulate it genetically to derive a whole new species.

There are many stories of hybrid creatures of the past as crossed human and animal species. One example includes mixing the genetics of fish and man in mermaids. The fact remains, if there is no eternal soul, they are not human. YHWH made it clear that we should not mix species and they are to reproduce only "after their own kind." To do so is an abomination before the Lord.

In the last days it says in scripture that their will be the buying and selling of souls.

And the kings of the earth, who have committed fornication and lived deliciously with her [Babylon Church], shall bewail her, and lament for her, when they shall see the smoke of her burning, Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.

And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble, <sup>13</sup>And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men. Revelation 18:9-12

Each of us should ask ourselves, "Who owns my soul?" Does the bank own your soul? It does say "the borrower is servant to the lender." Does your spouse own your soul? Does your employer own your soul? If you have sold your soul into sin, then your soul is no longer yours. If you have given your soul in the pursuit of pleasure, wealth, prosperity, power or any other form of idolatry, then you do not own your own soul. You have become as 'Be' in this present world as a lifeless shell of a person simply to be used by others.

Only in Y'Shua can your lost soul be redeemed by blood. Thus the requirement of the shedding of innocent blood must be paid. A soul can only be bought back by a death of the innocent and this is law irrefutable as infused into nature. This reality dates back to the beginning of time before the earth was created in its present form with Adam and Eve placed into the Garden of Eden.
