

10 Commandments in a Wood Box

Abbot David

1/27/2023

Original Ark of the Covenant

I had a dream last night on 1/27/2023. This is what come from the dream.

The original Ark was just a wooden box in which Moses placed the 10 commandments for traveling. Later the ornate gold covered box was made with 2 angels mounted on top.

1At that time the LORD said to me, "Chisel out two stone tablets like the originals, come up to Me on the mountain, and make an ark [box] of wood. 2 And I will write on the tablets the words that were on the first tablets, which you broke; and you are to place them in the ark [wooden box]." 3 So I made an ark [box] of acacia wood, chiseled out two stone tablets like the originals, and went up the mountain with the two tablets in my hands.... Deut 10:1-3

The ornate 2nd ark is strange since the making of graven (carved) angels is contrary to the 2nd commandment suggesting the ornamentation of the 2nd Ark was not according to the commandments as the Law of God.

Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven [including angels] above, or that is in the earth beneath, or that is in the water under the earth: thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am o jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of then that hate me; and shewing mercy unto thousands of them that love me and keep my commandments.' Exod 20: 4-6.

By the time of King Solomon, only the 2 tablets of stone were left in the ark. The bowl of manna and the sprouted rod of Aaron were gone.

There was nothing in the ark except the two stone tablets that Moses had placed in it at Horeb, where the LORD had made a covenant with the Israelites after they had come out of the land of Egypt. I Kings 8:9

The Rod of Aaron was a symbolic of the Aaronic priesthood that since Yeshua has been discontinued. The manna indicated the salvation of YHWH in the desert. Only the 10 commandments originated directly from God as a symbol of the everlasting covenant.

This revelation indicates what could likely be found when finding the 10 commandments to then bring them back to Israel. Likely it will NOT be the ornate box with golden angels as the box itself was not a holy box, but just the 2 stone tablets within a wooden box that may or may not be covered in gold to preserve the artifact.

This smaller wooden box just the right size for the 2 tablets may have been placed in the larger ornate golden Ark in later years. If you were in flight like Jeremiah was when the 10 commandments left

Israel, he would likely just take the box with the 10 commandments as this is the divine covenant artifact.

One of the oldest known scripts in writing the 10 commandments is found in New Mexico using the ancient Sinai Hebrew script used in 100 BC discovered in the Qumran documents.
