

Dream: "If you want your Freedom..."

**Just had a 2nd dream related to this one - go to bottom to read.**

~~~~~

I have been praying to the Lord for weeks asking how to combat the takeover of the US and the world by evil.

At 3:51 AM Arizona time on the 8th of December, I was told in a dream:

"If you want your freedom, you must attack the City of London."

The dream was so vivid and startling, it awakened me from sleep. I do not believe this is a command from God to literally attack London with bombs but was given just to say Freedom can only come if the globalist corporate system of the City of London is destroyed.

Of course this is what Yeshua will do at his coming with his armies.

Upon awakening and a further search for truth in a semi sleep state, I realized that the Sovereign City of London is both above ground and deep underground. I also realized it could survive a nuclear blast and keep on running. I also realized that its power as a NWO global corporation is well distributed all over the world.

It is a globalist corporation run on data documents and contracts as information under ancient Roman Law - not even English law. It does not need a military as it owns most of the countries with the greatest military's including the US, NATO and even China.

Since this city runs on Roman Law and is accessible by sea with the Thames River and is the financial center of the world even now, it could well be the Great City that is destroyed in the book of Revelation in chapter 18 by Yeshua at his coming.

Chapter 18 is a MUST READ chapter for which we now have a "face of evil" as the most evil city that has ever existed in human history. Only the City of London meets this level of evil as it is a city with Lucifer wearing the sovereign crown of the city.

Revelation 18:9. "The rulers of the earth who sinned sexually with her [the city] and shared her wealth will see the smoke from her burning. Then they will cry and be sad because of her death. 10. The rulers will be afraid of her suffering and stand far away. They will say,

'Terrible! How terrible, O great city,
O powerful city of Babylon!
Your punishment came in one hour!'

I then realized to attack the City of London is to attack the Rothschilds themselves as the primary owners/regents of this unholy city empire called the Crown City (not the British Crown but the Crown of Lucifer) as the holder of the Central Bank of England and other related subsidiary corporations. In fact, all Central Banks around the world are a part of the City of London Rothschild holdings. Only Russia is not fully under the Rothschild central bank system.

How can one realistically wage war against the sovereign Corporate City of London and its owners?

“The Rothschilds are desperately trying to regain control of Russia by their agents within the country ridding Russia of Putin who desperately needs peace "within" at any price. The rub here is that Putin does not control Russia but the military and security services (FSB, SVR, GRU) do. The plan is to get control of Russia again, and then move against Iran again bringing down the theocracy despite the short term expedient to ease the sanctions, and then by these moves isolating China to subjugate them. It is divide and conquer.”

This suggests the only world power country NOT fully under the control of the Rothschild warmongers is Putin and Russia. The US and NATO are foolish pawns of the Rothschild's war in the Ukraine. You would think Americans would be smarter than being sucked into this war for Satan. Putin may be viewed as the only country leader in the world waging a war against the City of London and the Rothschild's Satanic NWO. In saying this, he may be doing this to set up his own NWO centered from Russia.

Who then should we be backing in the war in the Ukraine? Or is this simply the NWO-West vs. the NWO-East seeking to be the top dog in Satan's Kingdom on earth? If it is evil fighting evil, Christians CANNOT be involved in either side of this war or WW3 as it emerges.

Will we then become Conscientious Objectors trying to escape incarceration and if caught, then forced into this war as Canon Fodder by the US Federalist corporation?

### **A Second Dream: "Who should we vote for?"**

I had this dream exactly 7 hours after the first dream at 10:31 AM.

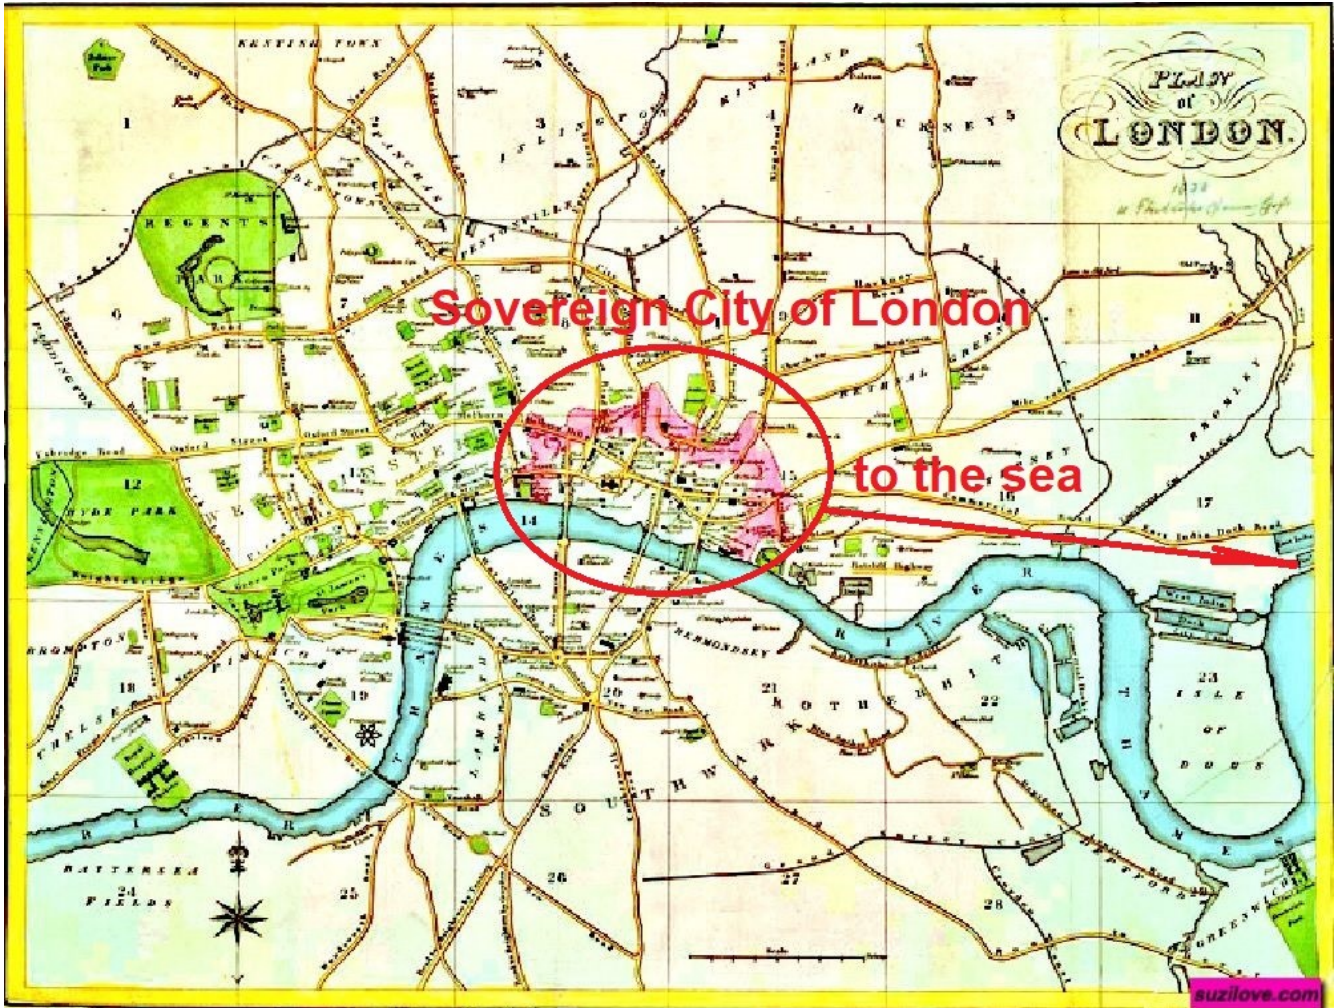

I was in a long line in a Christian event waiting to go into a great auditorium and someone farther back in the line must have read the above dream. I recognized her voice as the voice of the sister of the Empress of the Holy Roman Empire of the Hapsburg family. I know this person and the Empress. She asked:

**"David, if all that you have said is true, who then should we vote for?"**

I knew she was asking about the next election in the US. I answered:

"I would not vote for either." I paused then went on to say, "But if you had to choose, I would go with the fascist party (Republicans) over the Communist party (Democrats) as this will be far less traumatic upon the American people." I ended by saying, "It does not really matter who you choose since both will lead the US into a completely controlled socialist country as both are City of London/Rothschild controlled.

Upon awakening, I was reminded that the Stalin murdered 60 million of his own people in ethnic cleansing as compared to Hitler who was accused of murdering 6 million of his own people in ethnic cleansing.
