

Lion of Judah Musical

Dream by Abbot David Michael, ThD

In the early morning of the 9th of July 2022, I found myself at a large Christian music event perhaps in California attended by many artists I had known in the late 1970s and 1980s. I met up with some of them after a show and also met Jimmy Owens who I toured as a vocalist with in 1976 for the “If My People” musical in the United States and again in 1978 in the “I’m a Witness” musical in Great Britain.

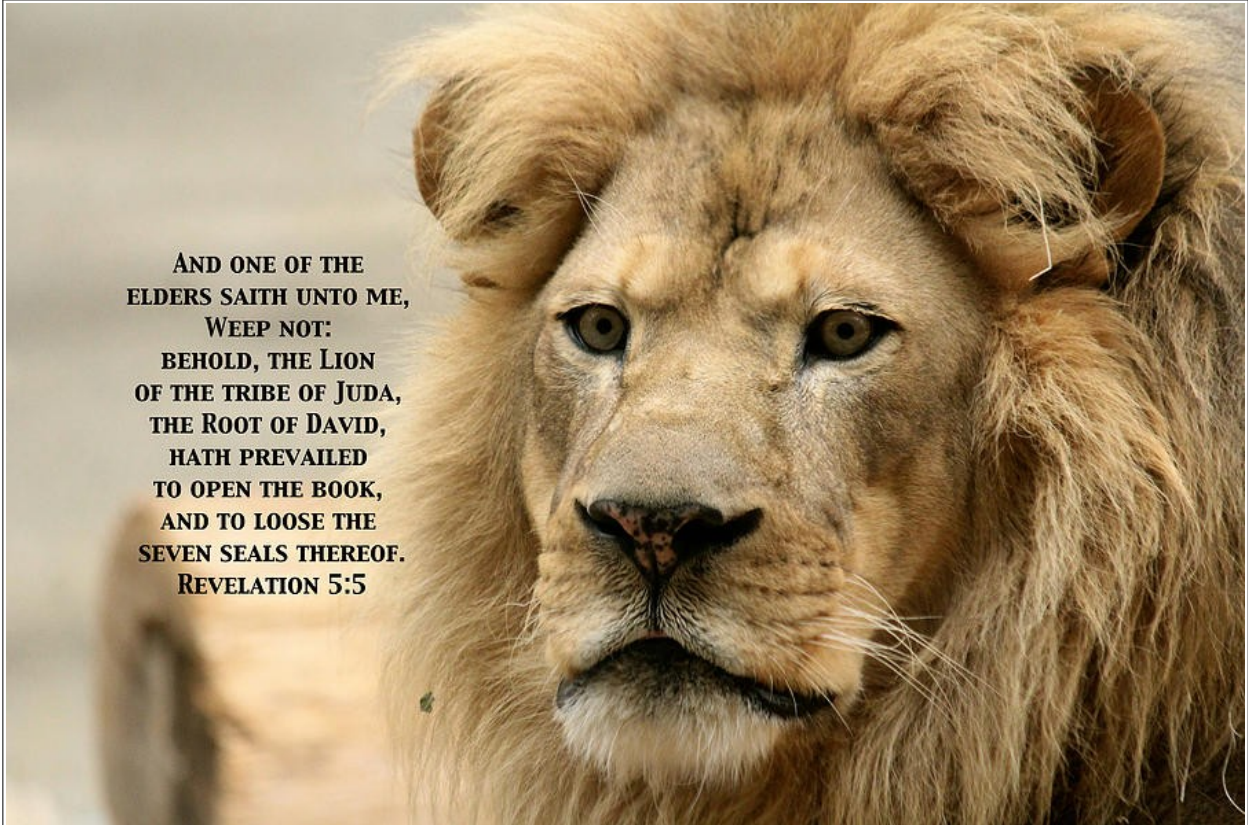

I briefly talked to him about my continued music career in getting a degree in music, teaching K-12 music and in writing over 50 songs and musicals. I then shared with him a recording of some of my music and he offered to put me on tour with my music as a producer.

I then heard him discuss with a co-producer that I should join up with a woman singer who I had traveled or met with in the past and that we should get married so we can be toured more economically in a single bus. I thought that was going a bit too far but I said nothing.

I then met this woman in the dream who I did not recognize yet she was good looking of a Native American or Polynesian mix and we began to discuss such a tour. She stated she wanted to bring an old circus lion she had access to for the tour and have it on stage.

In Awakening

As I was in twilight awakening and thinking about this dream, I heard the words “Lion of Judah” as a theme for our musical tour. This would suggest a more Messianic style of music in some form of musical. I did a search on the internet for Lion of Judah and found this picture of lion and scripture that may provide the theme focus of such a musical in the opening of the “Seven Seals” found in the book of Revelation. In this biblical text the full name is “Lion of the Tribe of Judah, the Root of David” in referring to Yeshua (Jesus) as Messiah who is the only one worthy to open the seven seals.

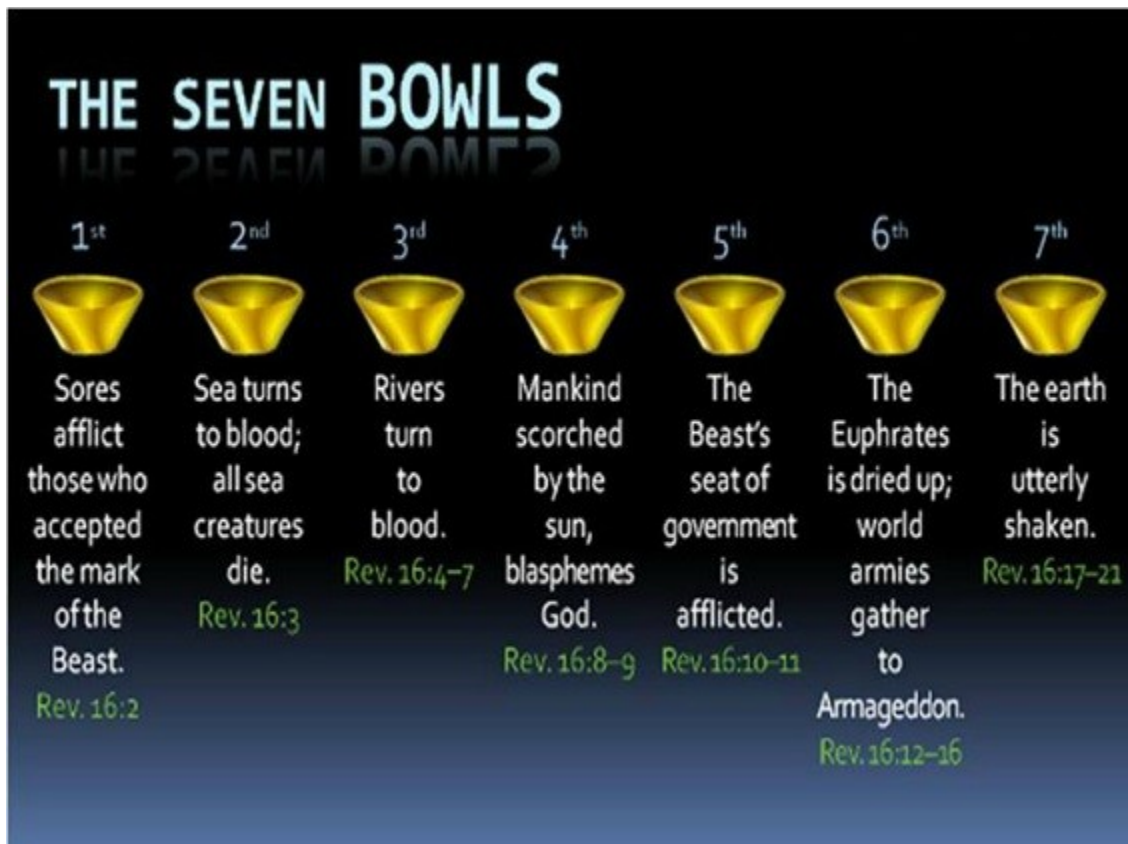

**AND ONE OF THE
ELDERS SAITH UNTO ME,
WEEP NOT:
BEHOLD, THE LION
OF THE TRIBE OF JUDA,
THE ROOT OF DAVID,
HATH PREVAILED
TO OPEN THE BOOK,
AND TO LOOSE THE
SEVEN SEALS THEREOF.
REVELATION 5:5**

I wonder... is this dream prophetic or just the musings of a now older man? I do not yet know. I do like the idea of writing a Seven Seals musical and having a Tribe of Judah lion mascot on stage for a musical tour.

Seven Seals

The Seven Seals are the sequence of events that occurs during the 7 year Tribulation period found in the books of Daniel, Matthew, Revelation and elsewhere in the bible.

Players in this Musical

In reading through this event of the seven seals in the book of Revelation we come with a cast of characters.

Characters:

John: Tells the story of the end times.

Angel: Voice in response to John explaining events as they unfold.

Band/Choir (3): Voices under the Altar and music.

Dancers (2): People on earth enduring events.

Note: All the rest of the biblical characters found in the Seven Seals event can be provided by multimedia projections on a large back screen.
